Behavior and Discipline Policies

Camper's Responsibility

- Use your manners and treat others with respect.
- Cooperate with all counselors, staff and supervisors.
- Respect the rights of fellow campers and other visitors. We can all have a good time together if we follow the Golden Rule: "Treat other people the way you would like to be treated."
- Respect the property of others. Keep our site and the places we visit neat and clean. Help put away games and equipment when you are finished. Appropriately use the equipment, supplies, or facilities. We want to be able to enjoy them all summer long.
- Participate in the activities that we have planned. Arts & crafts, entertainment, games, and special projects have all been planned to make your summer FUN! Campers can go back to individual games when each group activity is finished.
- Be responsible for the things you bring to camp. Your bathing suit, towels, etc. are your responsibility. Every day before you leave, check to see that you are taking home everything you brought that day and not someone else's things. Parents, label all belongings (towels, water bottle, sunscreen, and lunch boxes)
- Stay with your camp group and your counselor at all times. This is one of the most important rules and will be strictly enforced. Campers are not allowed to leave the site or group at any time, for any reason. Campers are not allowed to go near or cross roadways, streets, or parking areas unless accompanied by camp staff. Due to the serious nature of this offense, campers who break these rules risk the loss of the day's activities and privileges, and parents will be notified.
- On field trips, remember that we are guests of the places that we visit. **BE ON YOUR BEST BEHAVIOR**, and thank people for letting us visit.
- **DO** – Make new friends, have lots of fun, share new experiences and have a terrific summer at camp!

To have a safe and enjoyable summer, all campers must demonstrate appropriate behavior and respect for others by following these basic rules:

Campers Will:

- Keep hands, feet, and objects to yourself
- Treat other campers, staff, and visitors with respect
- Follow the instructions of your counselor
- Always stay with your group
- Be kind to the environment, camp facilities, and field trip facilities
- Keep themselves and others safe
- Cooperate with counselors and staff
- Appropriately use equipment and facility
- Use camp appropriate language

Camp Staff Will:

- Make safety a priority
- Praise, reward, encourage, and listen to the children
- Reason with and set limits for the children
- Provide age appropriate explanation
- Model appropriate behavior
- Provide natural and logical consequences for misbehaviors
- Use short, supervised periods of breaks for reflection and resetting

Camper's Code of Conduct:

For safety reasons, certain behaviors cannot be tolerated. These behaviors may result in a child's suspension or termination from the program. If such misbehaviors occur, parents will be notified and will be expected to support and work with the camp staff.

Camper's Code of Conduct

I recognize that if I do not follow the above listed rules, my parents/guardian will be notified. I recognize that serious misbehavior or repeated misbehavior may result in my being asked to leave camp. I realize that good conduct on my part will contribute to a great time for all and will be a positive reflection of me and my family.
